

Bioblitz Moelyci Bioblitz

Q. "So what is a Bioblitz then?"

A. "...it's an event where you find and identify as many species of wildlife as possible in a set time."

people	Friday 20th July	
	Morning	lowland flowers
	Afternoon	dragons and damsels
	Evening	moths by night

"...it's not a race but it is a challenge"

wildlife	Saturday 21st July	
	Morning	mini- mammals
	Afternoon	upland wildlife
	Evening	more moths!

"...don't miss out - be part of it"

discovery	Sunday 22nd July	
	Morning	farmland birds
	Afternoon	reptiles and amphibians
	Evening	bats by night

"...and remember your camera!"
