# Monad of the Month: February 2022

Monad y Mis: Chwefror 2022

Every month we will be providing maps and information about poorly recorded one kilometre grid squares in North Wales to encourage you to get out to locations with few or zero records. We are currently targeting squares that have no or very few bird, fungi, lichen or bryophyte records as these are good species groups to record at this time of year. Scroll down for maps and details of this month's squares. If you would like to see what records we hold for a square close to you, please consult the Aderyn database aderyn.lercwales.org.uk.

Bob mis fe fyddwn ni'n darparu mapiau a gwybodaeth am fonadau sydd wedi'u cofnodi'n wael yng Ngogledd Cymru er mwyn ceisio annog cofnodwyr i godi allan i leoliadau heb lawer o gofnodion, os o gwbl. Ar hyn o bryd rydym yn targedu sgwariau heb unrhyw gofnodion, neu ychydig iawn o gofnodion, am adar, ffyngau, cennau neu fryoffytau gan fod y rhain yn grwpiau rhywogaeth da i'w cofnodi yr adeg yma o'r flwyddyn. Sgroliwch i lawr am fapiau a manylion am bob un o'r sgwariau yma. Os hoffech chi weld pa gofnodion sydd gennym ar gyfer sgwâr sy'n agos atoch chi, edrychwch ar gronfa ddata Aderyn aderyn.lercwales.org.uk.

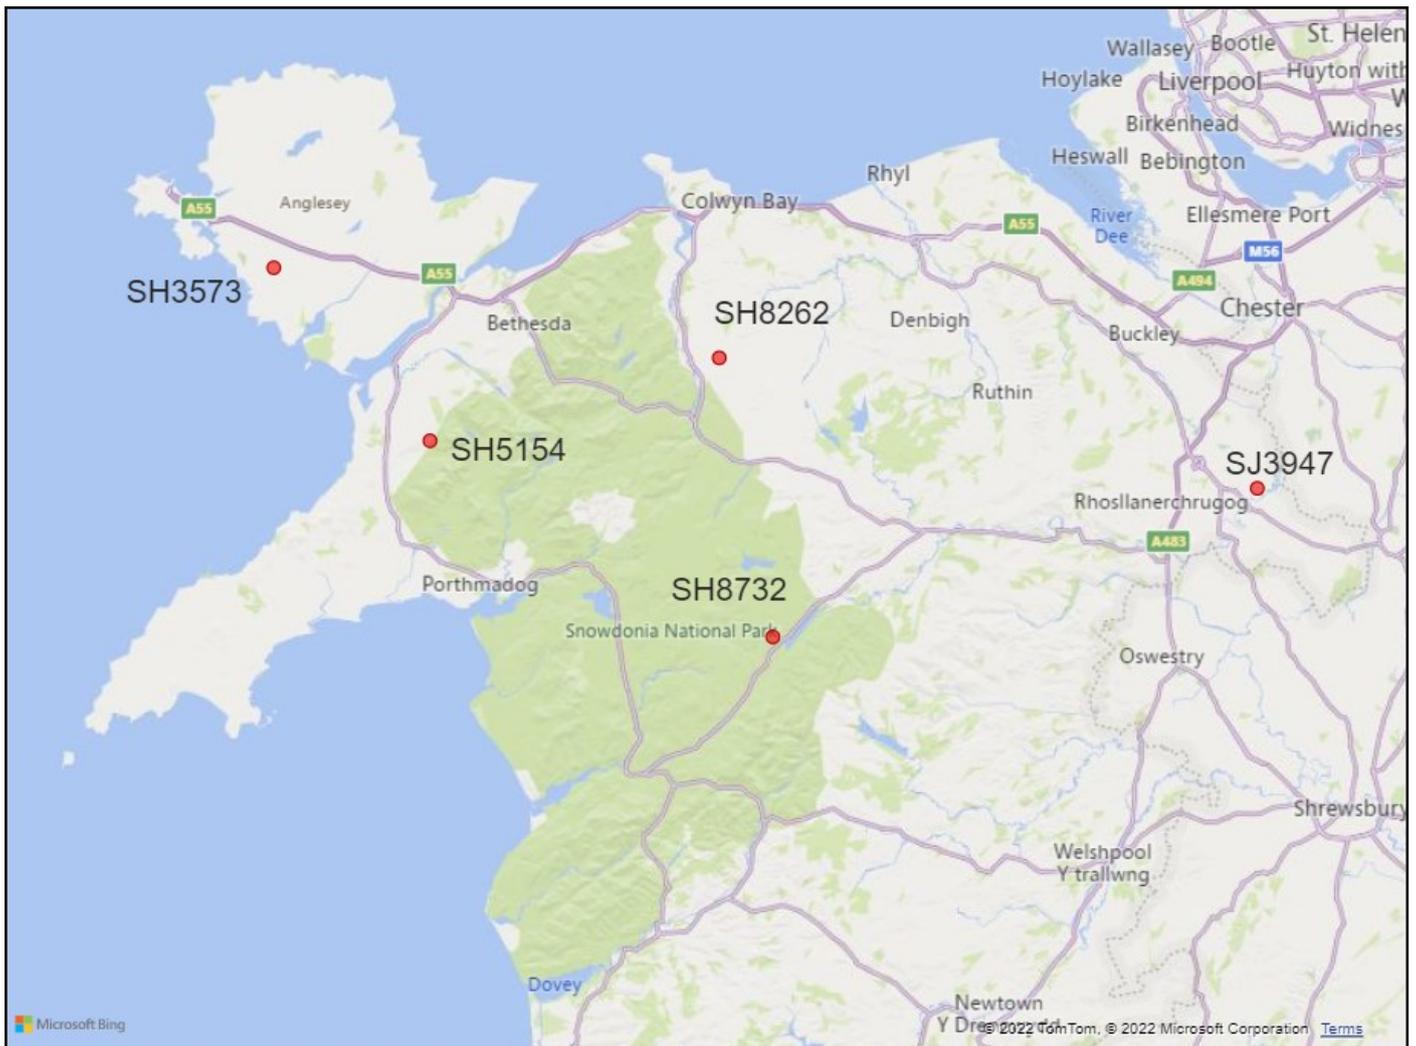

Records per 1km² June 2021
