

# Have you seen these bees?

*LERC Wales are working with Bumblebee Conservation Trust to map the rare bumblebees of Wales.*

If you have records for any of the below species in Wales, we would love to add them to the project; you can submit data via iRecord, the LERC Wales App, any Welsh LERC online recording system or by emailing [record@cofnod.org.uk](mailto:record@cofnod.org.uk). Record submission deadline: 9am 24th May.
